KANSAS ELECTION LAW.

Effects of the Conflicting Statutes on the
Ballots Causing Deep Trouble.
WICHITA, Kan., Oct. 29.—The board,
composed of the county clerk, county
attorney and clerk of the court, to
which is entrusted the preparation of
the ballot under the new Australian
law, met for the fourth time this morn-
ing and finally concluded to give all
the tickets nominated places on the
ballots.

On the question of the application the
board disagreed, the two fusion mem-
bers voting to term the anti-fusion
Democratic and Populist tickets Stat-
ewart Democratic and Straight Peo-
ple's party respectively. While the
Republican members protested that
the law did not permit any change in
the certified appellations.

Bob Coates, secretary of the Demo-
cratic county central committee, has
already taken steps to enjoin the
county clerk from carrying out the
ruling of the board and from printing
the Democratic ticket in any other
way than certified and also from put-
ting the fusion ticket under the "dou-
ble" appellation of People's party and
Democratic, the latter taking the
ground that under the new law the
fusionists must be regarded as one
party. Criminal proceedings against
the board for violation of the Australian
ballot law will also be commenced to-
morrow by the straight Democrats.

A BANK ROBBER SHOT.

Cashier Bradley of the Citizens of Amer-
ican, N. D., Kills a Desperado.
LONDON, N. D., Oct. 31.—Saturday
afternoon three men looking like far-
mers, entered the Citizens bank here
and holding revolvers at Cashier
Bradley demanded money. There was
gold and silver on the counter near
the window and one of the men
reached over and took it. It amounted
to only a few dollars.

Cashier Bradley at the same mo-
ment got under the desk and two men
entered the bank. The robbers fired
two shots which did no damage, and
ran for the door.

Bradley followed with a revolver
and shot one of the robbers twice. He
died an hour later, saying his name
was Chris Hansen and that he and
his companions were farm laborers
out of work.

The other two men jumped into a
buggy and drove towards Canada.
Several shots were fired without ef-
fect. The men are still at large.

SAVED BY AN EMPRESS.

The Consort of Austria's Ruler Prevents
a Terrible Train Wreck.
PARIS, Oct. 31.—The Gaulois to-day
says that the empress of Austria
recently was enjoying a ride on horse-
back when she saw a huge pile of
stones placed upon the rails over
which the Buda Pesth express was to
pass. She sprang from her horse, and
calling to a groom who was riding be-
hind her, she herself helped to remove
the obstruction from the track, and a
minute later the express passed over
the spot in safety, the passengers lit-
tle knowing how nearly they had es-
caped a terrible accident and totally
unaware that the lives of many of
them had been saved by the empress
of Austria.

TO PROTECT UNCLE SAM.
Union Pacific Stockholders May Be Held
to Account.

WASHINGTON, Oct. 31.—Senator Reice
had a three hours' conference with
the attorney general to-day dis-
cussing the affairs of the Union Pa-
cific railway company and trying to
devise means to protect the govern-
ment interests in the road. Mr. Reice
said at the conclusion of the confer-
ence, that the government's debt
against the Union Pacific would be
collected if the stockholders and their
estates should have to pay for it.

Atchison's New Postoffice.

ATCHISON, Kan., Oct. 31.—The govern-
ment building in this city which
has been in course of erection a year,
has just been completed and will be
ready for occupancy in a few weeks.
It contains eight rooms and will be
occupied by the post-office department.
The total cost of the building and
grounds were \$90,000. The act appropri-
ating \$100,000 for the purpose of
erecting the structure was passed by
congress in 1891 through the efforts of
ex-Senator John A. Ingalls.

John Jacob Astor has given \$1,000-
999 to his sister, Mrs. J. Coleman
Drayton.
